Hi Darcy –

Here is the doc the UIC team prepared for Part 192, AEs, and Dewey. Unfortunately, we have not heard back from OAR with any comments on the Part 192 piece. That section is longer as we don't think Doug has been briefed on that effort. Let us know if you have questions or comments.

Thanks,
Sarah

Sarah: I let Darcy know that we would be getting this to her some time tomorrow. Its currently about 2.5 pages so if we need to shorten it, we could probably condense some of the bullets for Part 192 and/or DB. I sent the Part 192 talking point to OAR to see if they could add anything more. I will let you know if they respond. The Part 192 piece is longer as I don't know that Doug has been briefed on this effort. I told Darcy that we had not heard anything from OAR about "withdrawing" Part 192 as referenced in the WY Mining Association's email invitation to Doug.

Thanks to Craig, Wendy, and Valois for most of the content,

Douglas
